STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance to 37 C.F.R. § 1.560(b), submitted herewith is a record of the substance of the interview on August 25, 2005, between Examiner Stephen L. Rawlings and Chris Arthur, legal assistant for the undersigned, regarding the above-captioned application. This statement is being submitted within one (1) month of the mailing date of September 1, 2005, of the Interview Summary and is therefore a timely response.

In the interview, Chris Arthur brought to Examiner Rawlings' attention that claim 12 had been omitted from the listing of allowed claims on the Notice of Allowability mailed on August 10, 2005, even though it had been allowed in earlier Office Actions. Examiner Rawlings indicated that the omission was inadvertent and a supplemental Notice of Allowability would be issued.
